CHARGING THIMBLES

HOW TO POWER ON / POWER OFF?

1) To turn ON the smart band, on the screen, long press the touch button (fixed-point touch control) for a few seconds. The touch button is situated on the bottom of the screen.
2) To turn OFF the smart band in the home screen menu short press the touch button until the **MORE** (Settings) menu displays, then long press the touch button to enter in the **MORE** menu, short press the touch button to select the power off option, and long press again the touch button to make it power off.

HOW TO CONTROL?

On the display screen , short press the touch button to change between the different menus. Long press the touch button to achieve the different functions.

GETTING STARTED:

- For Android

1) How to obtain the BT Connection APK (**FUNDO**)
Search for the **FUNDO APP** in the Play Store; download it and install it in your Android smartphone, or go to our **website www.sami.es** and download the application.
2) Installation of the **FUNDO** APK.
When installing the **FUNDO** application on your Android, you must allow all the Application Permissions, allow this **FUNDO** app auto run.
The first time you run this **FUNDO**, it will ask you to Enable Notifications, please tap OK and tap the **FUNDO** and confirm OK. You must tap OK/Allow/Pair/Yes/Confirm for any pop-up request. On your Android permission management, allow all application permissions.
3) How to make the wearable pair with your Android smart phone?
*First, turn on the Bluetooth of your Phone.
*Second, run the **FUNDO** app on your Phone, on the home page of **FUNDO**, select **"MORE**" (icon situated in the right bottom of the **FUNDO** homepage), → select **"+Add device**", the APP will search for new Bluetooth device(s), when the available Bluetooth device displays, please select **QW16 or WS-2354** (the BT name of this device) to make it pair. The pairing will be finished in a few seconds. When you pair for the first time, the app **FUNDO** will ask you to fill some personal information such as gender/ age/ height/ weight. When you finish select OK/Confirm/Allow for any pop-up request.
* Now you can start using your desired functions of the smart band.

Important: To enable all notifications of different softwares such as WhatsApp, Facebook, Skype, Twitter, you may need to turn on the notifications on the APP manually. On the **FUNDO**

homepage, select the **"more"** icon (situated at the right bottom of the interface) →then select **"App notification settings",** → and turn on all the APP notifications you want to active.

For Android smart phone, in order to achieve all of the functions which are supported by the **FUNDO** app, you must allow the **FUNDO** app runs in background, you must tap OK/Confirm/Allow/Yes for any of the pop-up request at the 1st time of running of the **FUNDO** APK/APP. And it may ask you to turn on the **FUNDO** app in the Android smart phone's Accessibility: go to the settings of the smartphone→Accessibility→ find the **FUNDO** app and turn it on.

- For iPhone

1) How to obtain the BT Connection APP? (**FUNDO**)
On iPhone, please go to APP Store and search **FUNDO** and install the app.
2) How to make the wearable pair with your iPhone?
*First, turn on the Bluetooth of iPhone
* Run the **FUNDO** app on the iPhone, on the home page of **FUNDO**, select **"MORE"** (icon situated in the right bottom of the **FUNDO** homepage), → select **"+Add device"**, the APP will search for new Bluetooth device(s), when the available Bluetooth device displays, please tap **QW16 or WS-2354** (the BT name of this device) to make it pair. The pairing will be finished in few seconds. When you pair for the first time, the app **FUNDO** will ask you to fill some personal information such as gender/age/height/weight. When you finish select OK/Confirm/Allow for any pop-up request.
* Now you can start using your desired functions of the smart band.

Important: To enable all notifications of different softwares such as WhatsApp, Facebook, Skype, Twitter, you may need

to turn on the notifications on the APP manually. On the **FUNDO** homepage, select the **"more"** icon (situated at the right bottom of the interface) →then select **"App notification settings",** → and turn on all the APP notifications you want to active.

ATENTION: In IOS and in Android your wearable should be connected through the app and not with the Bluetooth menu of your smartphone. If you have already paired it on the Bluetooth menu, unpair it and forget the device to start the correct binding through the app.
