CONTENTS.

Wearable, Magnetic USB cable, instruction manual.

CHARGING.

Connect the device to a computer or laptop with the USB Magnetic cable for charging. Put in contact the magnetic end of the USB cable with the charging points positioned in the back of your device. Kindly use only the USB cable included with the wearable. If you use a power adapter for charging, the output of the power adapter should be 5V, 1A. Charging time: 2 hours. Please charge the device fully before using. Be careful the charging cable shall not be laid on any metal objects with its end which have metal contacts, in case the charging cable damaged due to short circuit.

HOW TO POWER ON / POWER OFF?

1) To turn ON the smart band, long press the Power button for few seconds to make it Power On.
2) To turn OFF the smart band, long press the Power button for few seconds until the Power OFF interface displays, then select Yes to make it Power Off; or on the smartband, setting → Power Off.

HOW TO CONTROL?

1) On the display screen(touchscreen), short tap the touchscreen to select; long touch the screen to enter; tap and slide from the left towards right to return; tap and slide towards left/right/up/down to change between the different menu pages.
2) Short press the Power button to return. Long press the Power Button to make it Power On/Off.

GETTING STARTED:

- For Android

1) How to obtain the BT Connection APK (**DA FIT**)

Search for the **DA FIT** in the Google Play; download it and install it in your Android smartphone, or go to our **website www.sami.es** and download the application.

2) Installation of the **DA FIT** APK.

When installing the **DA FIT** application on your Android, you must allow all the Application Permissions, allow this **DA FIT** app auto run.

The first time you run this **DA FIT**, it will ask you to Enable Notifications, please tap OK and tap the **DA FIT** and confirm OK. You must tap OK/Allow/Pair/Yes/Confirm for any pop-up request. On your Android permission management, allow all application permissions. **Please allow locations services and background permission for correct use of the device.**

3) How to make the wearable pair with your Android smart phone

*First, turn on the Bluetooth of your Phone.

*Second, run the **DA FIT** app on your Phone, on the home page of **DA FIT**, select **"TO ADD"**, the APP will search for new Bluetooth device(s), when the available Bluetooth device displays, please select **WS-2362** (the BT name of this device) to make it pair. The pairing will be finished in a few seconds. When you pair for the first time, the app **DA FIT** will ask you to fill some personal information such as gender/age/height/weight. Must select OK/Confirm/Allow/Yes for any pop-up requests. **Please allow locations services and background permission for correct use of the device.**

* Now you can start using your desired functions of the smart band.

Important: To enable all notifications of different softwares such as WhatsAPP, Facebook, Skype, Twitter, you may need to turn on the notifications on the APP manually. On the **DA FIT** homepage, select the Settings icon (middle icon situated at the bottom of the interface) →then select notifications, → and turn on all the APP notifications you want to active.

Also you must access to settings in your Android device and in the menu of apps give the corresponding permissions to **DA FIT.**

- For iPhone

1) How to obtain the BT Connection APP? (**DA FIT**)

On iPhone, please go to APP Store and search **DA FIT** and install the app.

2) How to make the wearable pair with your iPhone

*First, turn on the Bluetooth of iPhone

* Run the **DA FIT** app on the iPhone, on the home page of **DA FIT**, tap **"ADD A DEVICE"** the APP will search for new Bluetooth device(s), when the available Bluetooth device displays, please tap **WS-2362** (the BT name of this device) to make it pair. The pairing will be finished in few seconds. When you pair for the first time, the app **DA FIT** will ask you to fill some personal information such as gender/age/height/weight. Must select OK/Confirm/Allow/Yes for any pop-up requests. **Please allow locations services and background permission for correct use of the device.**

*Now you can start using your desired functions of the smart band.

Important: To enable all notifications of different softwares such as WhatsAPP, Facebook, Skype, Twitter, you may need to turn on the notifications on the APP manually. On the **DA FIT** homepage, select the Settings icon (middle icon situated at the bottom of the interface) →then select notifications, → and turn on all the APP notifications you want to active.
