## WEARABLE User Manual WS-2356

### EVOLUTION 2 S M A R T B A N D

Thank you for purchasing the **Sami** wearable WS-2356. Read the instructions carefully to obtain optimum results and preserve it for future reference. **Sami** has developed wearable devices since 2015 and we use the best components possible for the product.

#### DESCRIPTION OF THE WEARABLE.

#### CONTENTS

Wearable, USB Magnetic charging cable, instruction manual.

## CHARGING

Connect the device to a computer or laptop with the USB Magnetic cable for charging. Put in contact the magnetic charging cable with the charging points positioned in the back of your device. Kindly use only the USB cable included with the wearable. If you use a power adapter for charging, the output of the power adapter should be 5V, 1A. Charging time: 1:30 - 2 hours. Please charge the device fully before using it. Take care with the magnet side of the cable, if you connect to the AC and you have contact with a metal surface, you may damage the charging cable.

**NOTE:** Do not have the charger connected to AC and the magnets touching any metallic surface, this will create a high heating of the cable and will damage it.

## HOW TO POWER ON / POWER OFF?

- 1) To turn ON the smart band, long press the Power On/Off button for few seconds to make it Power On.
- 2) To turn OFF the smart band, long press the Power On/Off button for few seconds until the Power OFF icon displays, then select "Yes" to make it Power Off; or on the home screen of your smart band, tap and slide from top to bottom to enter in the shortcut menu; tap in the settings icon and scroll down to find the power off icon, tap on it and then select "Yes" to make it Power Off

## HOW TO CONTROL?

- 1) On the display screen (touchscreen), short tap the touchscreen to select; tap and slide left/ right/ up/ down to change between the different menu pages.
- 2) Short press the Power On/Off button to return. Long press the Power On/Off Button to make it Power On/Off.

## GETTING STARTED:

### - For Android

#### 1) How to obtain the BT Connection APK (**DA FIT**)

Search for the **DA FIT APP** in the Play Store; download it and install it in your Android smartphone, or go to our **website [www.sami.es](http://www.sami.es)** and download the application.

#### 2) Installation of the **DA FIT** APK.

When installing the **DA FIT** application on your Android, you must allow all the Application Permissions, allow this **DA FIT** app auto run.

The first time you run this **DA FIT**, it will ask you to Enable Notifications, please tap OK and tap the **DA FIT** and confirm OK. You must tap OK/Allow/Pair/Yes/Confirm for any pop-up request. On your Android permission management, allow all application permissions.

#### 3) How to make the wearable pair with your Android smart phone

\*First, turn on the Bluetooth of your Phone.

\*Second, run the **DA FIT** app on your Phone, on the home page of **DA FIT**, select "**ADD A DEVICE**", the APP will search for new Bluetooth device(s), when the available Bluetooth device displays, please select **WS-2356** (the BT name of this device) to make it pair. The pairing will be finished in a few seconds. When you pair for the first time, the app **DA FIT** will ask you to fill some

personal information such as gender/age/height/weight. When you finish select OK/Confirm/Allow for any pop-up request.

\* Now you can start using your desired functions of the smart band.

**Important:** To enable all notifications of different softwares such as WhatsApp, Facebook, Skype, Twitter, you may need to turn on the notifications on the APP manually. On the **DA FIT** homepage, select the Settings icon (middle icon situated at the bottom of the interface) → then select notifications, → and turn on all the APP notifications you want to active.

## - For iPhone

1) How to obtain the BT Connection APP? (**DA FIT**)

On iPhone, please go to APP Store and search **DA FIT** and install the app.

2) How to make the wearable pair with your iPhone

\*First, turn on the Bluetooth of iPhone

\* Run the **DA FIT** app on the iPhone, on the home page of **DA FIT**, tap “**ADD A DEVICE**” the APP will search for new Bluetooth device(s), when the available Bluetooth device displays, please tap **WS-2356** (the BT name of this device) to make it pair. The pairing will be finished in few seconds. When you pair for the first time, the app **DA FIT** will ask you to fill some personal information such as gender/age/height/weight. When you finish select OK/Confirm/Allow for any pop-up request.

\*Now you can start using your desired functions of the smart band.

**Important:** To enable all notifications of different softwares such as WhatsApp, Facebook, Skype, Twitter, you may need to turn on the notifications on the APP manually. On the **DA FIT** homepage, select the Settings icon (middle icon situated at

the bottom of the interface) → then select notifications, → and turn on all the APP notifications you want to active.

On your phone you must allow the pop up window of **DAFIT** to access your location. This is important for reconnection between the wearable and the phone.
