WEARABLE  
User Manual  
WS-2361

## DUO SKIN

S M A R T B A N D

Thank you for purchasing the **Sami** wearable WS-2361. Read the instructions carefully to obtain optimum results and preserve it for future reference. **Sami** has developed wearable devices since 2015 and we use the best components possible for the product.

### DESCRIPTION OF THE WEARABLE.

#### CONTENTS.

Wearable, Magnetic USB cable, instruction manual.

#### CHARGING.

Connect the device to a computer or laptop with the USB Magnetic cable for charging. Put in contact the magnetic end of the USB cable with the charging points positioned in the back of your device. Kindly use only the USB cable included with the wearable. If you use a power adapter for charging, the output of the power adapter should be 5V, 1A. Charging time: 2 hours. Please charge the device fully before using. Take care with the magnet side of the cable, if you connect to the AC and you have contact with a metal surface, you may damage the charging cable.

#### HOW TO POWER ON / POWER OFF?

- 1) To turn ON the smart band, long press the Power button for few seconds to make it Power On.
- 2) To turn OFF the smart band, long press the Power button for few seconds until the Shut Down interface displays, then select Yes to make it Power Off; or on the smartband, setting → Power Off.

#### HOW TO CONTROL?

- 1) On the display screen(touchscreen), short tap the touchscreen to select; long touch the screen to enter; tap and slide from the left towards right to return; tap and slide left/right/up/down to change between the different menu pages.
- 2) Short press the Power button to return. Long press the Power Button to make it Power On/Off.

## GETTING STARTED:

### - For Android

1) How to obtain the BT Connection APK (**DA FIT**)

Search for the **DA FIT** in the Play Store; download it and install it in your Android smartphone, or go to our **website [www.sami.es](http://www.sami.es)** and download the application.

2) Installation of the **DA FIT** APK.

When installing the **DA FIT** application on your Android, you must allow all the Application Permissions, allow this **DA FIT** app auto run.

The first time you run this **DA FIT**, it will ask you to Enable Notifications, please tap OK and tap the **DA FIT** and confirm OK. You must tap OK/Allow/Pair/Yes/Confirm for any pop-up request. On your Android permission management, allow all application permissions. **Please allow locations services and background permission for correct use of the device.**

3) How to make the wearable pair with your Android smart phone

\*First, turn on the Bluetooth of your Phone.

\*Second, run the **DA FIT** app on your Phone, on the home page of **DA FIT**, select "**TO ADD**", the APP will search for new Bluetooth device(s), when the available Bluetooth device displays, please select **H76 or WS-2361** (the BT name of this device) to make it pair. The pairing will be finished in a few seconds. When you pair for the first time, the app **DA FIT** will ask you to fill some personal information such as gender/age/height/weight. Must select OK/Confirm/Allow/Yes for any pop-up requests. **Please allow locations services and background permission for correct use of the device.**

\* Now you can start using your desired functions of the smart band.

**Important:** To enable all notifications of different softwares such as WhatsApp, Facebook, Skype, Twitter, you may need to turn on the notifications on the APP manually. On the **DA FIT** homepage, select the Settings icon (middle icon situated at the bottom of the interface) → then select notifications, → and turn on all the APP notifications you want to active.

### - For iPhone

1) How to obtain the BT Connection APP? (**DA FIT**)

On iPhone, please go to APP Store and search **DA FIT** and install the app.

2) How to make the wearable pair with your iPhone

\*First, turn on the Bluetooth of iPhone

\* Run the **DA FIT** app on the iPhone, on the home page of **DA FIT**, tap "**ADD A DEVICE**" the APP will search for new Bluetooth device(s), when the available Bluetooth device displays, please tap **WS-2361** (the BT name of this device) to make it pair. The pairing will be finished in few seconds. When you pair for the first time, the app **DA FIT** will ask you to fill some personal information such as gender/age/height/weight. Must select OK/Confirm/Allow/Yes for any pop-up requests. **Please allow locations services and background permission for correct use of the device.**

\*Now you can start using your desired functions of the smart band.

**Important:** To enable all notifications of different softwares such as WhatsApp, Facebook, Skype, Twitter, you may need to turn on the notifications on the APP manually. On the **DA FIT** homepage, select the Settings icon (middle icon situated at the bottom of the interface) → then select notifications, → and turn on all the APP notifications you want to active.
