2) Short press the Power button to return. Long press the Power Button to make it Power On/Off.
3) Short tap the Touch Button, or short press the Power Button, to light up the display screen.

GETTING STARTED:

- For Android

1) How to obtain the BT Connection APK (**DA FIT**)

Search for the **DA FIT** in the Google Play; download it and install it in your Android smartphone, or go to our **website** **www.sami.es** and download the application.

2) Installation of the **DA FIT** APK.

When installing the **DA FIT** application on your Android, you must allow all the Application Permissions, allow this **DA FIT** app auto run.

The first time you run this **DA FIT**, it will ask you to Enable Notifications, please tap OK and tap the **DA FIT** and confirm OK. You must tap OK/Allow/Pair/Yes/Confirm for any pop-up request. On your Android permission management, allow all application permissions. **Please allow locations services and background permission for correct use of the device.**

3) How to make the wearable pair with your Android smart phone

*First, turn on the Bluetooth of your Phone.

*Second, run the **DA FIT** app on your Phone, on the home page of **DA FIT**, select **"TO ADD"**, the APP will search for new Bluetooth device(s), when the available Bluetooth device displays, please select **WS-2363**(the BT name of this device) to make it pair. The pairing will be finished in a few seconds. When you pair for the first time, the app **DA FIT** will ask you to fill some personal information such as gender/age/height/weight. Must select OK/Confirm/Allow/Yes for any pop-up requests. **Please allow locations services and background permission for correct use of the device.**

* Now you can start using your desired functions of the smart band.

Important: To enable all notifications of different softwares such as WhatsAPP, Facebook, Skype, Twitter, you may need to turn on the notifications on the APP manually. On the **DA FIT** homepage, select the Settings icon (middle icon situated at the bottom of the interface) →then select notifications, → and turn on all the APP notifications you want to active.

- For iPhone

1) How to obtain the BT Connection APP? (**DA FIT**)

On iPhone, please go to APP Store and search **DA FIT** and install the app.

2) How to make the wearable pair with your iPhone

*First, turn on the Bluetooth of iPhone

* Run the **DA FIT** app on the iPhone, on the home page of **DA FIT**, tap **"ADD A DEVICE"** the APP will search for new Bluetooth device(s), when the available Bluetooth device displays, please tap **WS-2363** (the BT name of this device) to make it pair. The pairing will be finished in few seconds. When you pair for the first time, the app **DA FIT** will ask you to fill some personal information such as gender/age/height/weight. Must select OK/Confirm/Allow/Yes for any pop-up requests. **Please allow locations services and background permission for correct use of the device.**

*Now you can start using your desired functions of the smart band.

Important: To enable all notifications of different softwares such as WhatsAPP, Facebook, Skype, Twitter, you may need to turn on the notifications on the APP manually. On the **DA FIT** homepage, select the Settings icon (middle icon situated at the bottom of the interface) →then select notifications, → and turn on all the APP notifications you want to active.
